Steps to Activate Your Free Access:

1. Visit the LYNEports Pricing Page

Go to [LYNEports.com/pricing](https://lyneports.com/pricing) and click the "Buy Now" button for the subscription plan you want to access (don't worry you will not be charged when you input the coupon code **LYNEports2024**)

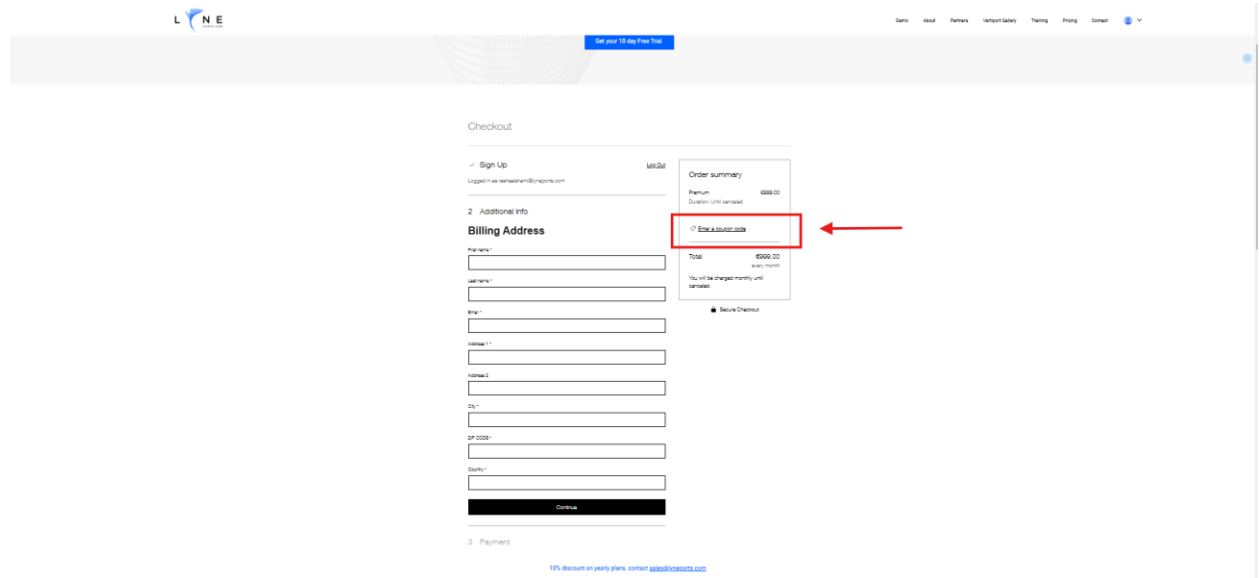

The screenshot shows the LYNEports Pricing Page with the title "Simple, Fair Pricing" and the subtitle "Choose the plan that works for you". There are four pricing plans displayed in boxes:

- Starter**: \$99 /per Month. Features include 10% discount on yearly plan upon request, World map dedication, 1 project (at a time), Limited aircraft selection, AIA & EASA & CASA navigation, 30 buildings, 1 Flight path slopes, Render Downloads, and Email support.
- Pro**: \$199 /per Month. Features include 10% discount on yearly plan upon request, Everything in Starter plus, 10 projects (at a time), Limited land use, Airports & aerodromes, 2 Flight path slopes, 3 Project model downloads, Upload up to 10mb, and Email support.
- Advanced**: \$499 /per Month. Features include 10% discount on yearly plan upon request, Everything in Pro plus, 30 projects (at a time), All land use, Airspace & Topography map, 3 Aircraft selection, 3 Flight path slopes, 10 Project model downloads, Upload up to 20mb, and Email support.
- Premium**: \$999 /per Month. Features include 10% discount on yearly plan upon request, Everything in Advanced plus, Unlimited projects, 8 Parking stands, 4 Flight path slopes, Unlimited project model downloads, Weather data (EU & US), Upload up to 60mb, Real time flight simulation, Google realistic map view, and Priority support.

A red box highlights the "Buy Now" button for the Premium plan, with a red arrow pointing to it. At the bottom of the page, there is a note: "10% discount on yearly plans, contact sales@lyneports.com".

2. Apply the Coupon Code

On the payment page, enter the coupon code **LYNEports2024** in the designated field.

4. Complete Your Subscription

While the system requires you to provide payment information, rest assured you won't be charged during the hackathon period. Your access will automatically expire after the event ends.

If you wish to continue using LYNEports software after the hackathon, you can renew your subscription by selecting your desired plan.

We hope LYNEports helps elevate your hackathon experience!

For any inquiries or issues during your hackathon software access, please email us at **contact@lyneports.com** with the subject line:
